

China possesses one of the most unique and breathtaking cultures. After thousands of years it is once again rising to a position of international prominence. From small village to huge city, China is on the move like never before. EdTerra invites you to come experience China – From Great Wall to Great Power. Ten incredible days in China where you zig-zag across its terrain to experience both the ancient and the modern; to understand what makes China so amazing as a land and as a people; to interact with a culture that has its feet planted firmly in its past...even as it soars into the future.

# CHINA

Guilin

Shanghai

Xian

Beijing

We take you to Shanghai – the high-tech city. Ride on one of the world's fastest trains, experience its booming economy — bright lights, tall buildings and busy shopping centres. Tour the capital city of Beijing, home to the ancient Forbidden City, the absolutely massive Tiananmen Square and the Great Wall. Travel to Guilin to experience its surreal landscape - take a river cruise, visit a Chinese fishing village and eat some real Chinese food with chopsticks. Fly to Xian to stand face to face with the terracotta warriors. Travel into the past, that is where the seed of future are sown. This experience in the future will have an impact on your thoughts, ideas and action. To make this journey truly meaningful for your future, we wish for you to use your creativity to produce a professional quality photo-book that captures this experience from the eye of your mind. So pack your bags, grab a camera, and set out to discover China.
